Attn: Initial Patent Examination Division

Dear Sir:

In reply to the Response to Request Corrected Filing Receipt mailed August 30, 2001,
claiming lack of continuity under 35 USC 120, Applicants respectfully state as follows:

1. In the Request for Corrected Filing Receipt filed August 21, 2001, Applicants confirmed their priority claim to U.S. Provisional Patent Application 60/199,975 filed April 27, 2000 and U.S. Utility Patent Application No. 09/837,114 filed

April 17, 2001.

2. In the Request, Applicants inadvertently failed to state the continuity of the applications.
3. Applicants have concurrently filed herewith a Second Preliminary Amendment reflecting the continuity of the applications.
4. Applicants respectfully request the Filing Receipt be amended as follows:

“This Appln Claims Benefit of 60/199,975 04/27/2000 and 09/837,114 04/17/2001 and is a continuation-in-part application of 09/837,114 filed April 17, 2001.”

A copy of the Response to Request Corrected Filing Receipt is enclosed. Applicants believe that no fees are required in connection with this filing. However, to the extent that fees are required, the Commissioner is authorized to charge those fees, or credit any overpayment, to Account No. 13-0480, Attorney Docket No. 68110328.712.

Respectfully submitted,

Brian C. McCormack

RESPONSE TO REQUEST CORRECTED FILING RECEIPT

Claims, Fees, Inventors and Continuity

In response to your request for a corrected Filing Receipt, the Office is unable to comply with your request because:

- The total number of claims appearing on the Filing Receipt does not include multiple dependent claims. The total fee appearing on the Filing Receipt includes the cost of multiple dependent claims that were present at the time the application was filed.
- The filing fee is correct. It includes the surcharge under 37 CFR 1.16(e) for filing an oath/declaration or basic filing fee after the application filing date.
- The inventor information may be truncated if the family name consists of more than 50 characters (letters and spaces combined) and if the given name consists of more than 50 characters (letters and spaces combined). The inventor's residence allows for up to 40 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- Continuity claimed under 35 USC 120 cannot be added to the Filing Receipt without supplying the relationship (i.e. continuation, divisional...).
- Foreign priority will appear on the Filing Receipt in the following order:
Country, Application number, Filing date.
- The person signing on behalf of the deceased inventor will be reflected on your Filing Receipt as the legal representative.
- The enclosed Filing Receipt was returned to the Office as undeliverable. We are sending a second filing receipt to the address given.

- Only one character per space is allowed. Therefore, punctuation which is usually placed above or below a letter, such as an umlaut (..), cannot be included on the Filing Receipt.

Any corrections that may need to be done to your Filing Receipt should be directed to:

Assistant Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
Washington, DC 20231
